

VIDEO CONSULTATIONS GUIDE

Thank you for booking a video consultation with us. Below is a step by step guide on the video consultation process.

1

Book video consultation online.

2

Download the zoom application on your device. Click here

3

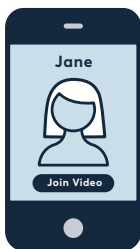

Wait for the link on the day of your consultation via text or email.

4

Click this link to launch Zoom.

5

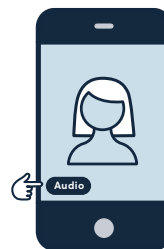

Enter your name and join with video.

6

Wait for the host to admit you.

7

Join audio (bottom right corner) and click wifi or cellular data.

8

Your technician will be there to start the consultation.

Please do not hesitate to contact the clinic if you have any problems or queries. One of our staff will be happy to help you.
